

## Lake Forest Glen Satellite Dish Request Form

Attn. LFGHOA Board of Directors:

I, \_\_\_\_\_, the homeowner/renter of unit \_\_\_\_\_ would like to request permission from the LFGHOA Board of Directors to install a satellite dish.

I have read the LFG Satellite Dish Policy and agree to the following:

- **I will have no wires attached to the exterior of the building rather they will be concealed beneath the building.**
- **My dish will not be attached to the building, fence or deck, but rather be detached on a free-standing tripod located on my back deck.**
- **My free-standing tripod and dish will be lower than the dividing fence wall.**
- **My dish will not exceed one meter (39.37 inches) in diameter and the color will be consistent with the neutral color scheme of LFG.**

I understand that I am solely responsible for the installation, maintenance and repair of the dish, as well as for any damages to the Association's property or common ground resulting from the installation or operation of the dish.

Please respond to me at:
